Men Will Be Glad to Know

that this is one of the very few (not half a dozen) shoe stores in New York that even pretend to keep up stocks in January.

The

"Wanamaker-Special" group at \$3.90

> and The "J. W." group

-just to name two examplesare kept up to their usual high degree of completeness the year

at \$5.

Both groups provide shoes for normal foot.

The shoes in these groups are the best the respective prices will buy.

Burlington Arcade, New Building.

In This Case We Believe in the "Recall"

This is directed to those who purchased men's shot silk half-hose, 35c pair, sold here between December 21 and January 5. 750 dozens of these socks had already been sold by other stores at 50c a pair when we took over the balance from the manufacturer and offered them at 35c. We find now that these socks did not give satisfaction in wear: we ask that all that were purchased here be returned at once, and we will refund the every ordinary occasion and every money or exchange them for other socks.

> Kindly return them to the Hosiery Section, Burlington Arcade floor, New Building.
